

Iced Genmaicha

Style

Ideal for summer time or for those craving iced, natural tea drinks.

Teaware Needed

Cocktail shaker, tea scoop.

Preparation Recipe

Place three scoops of Genmaicha Powder into cocktail shaker. Add splash of hot water (approx. 2 ounces) and swirl shaker well. This is done to make the Genmaicha powder dissolve well. Fill shaker half full with ice. Fill shaker with room temperature water, shake well and pour into glass.

Sweetener options: Honey, cane sugar or stevia.

Flavor Profile

Toasty, sweet brown rice aroma and smooth roasted flavor with a bright, grassy edge.
