

Iced Matcha

Style

Ideal for summer time or for those craving iced, natural tea drinks.

Teaware Needed

Cocktail shaker, tea scoop.

Preparation Recipe

Place three scoops of Matcha into cocktail shaker. Add splash of hot water (approx 2 ounces) and swirl shaker well. This is done to make the Matcha powder dissolve well. Fill shaker half full with ice. Fill shaker with room temperature water, shake well and pour into glass. Garnish with mint or ginger. *Sweetener options:* Honey, cane sugar or stevia.

Flavor Profile

Refreshing, cooling with full, rounded, dry texture.
